

Survey no. 3633 Buser and Bray no. 2 et al. lodes &c.

Report

The U.S. Cor. Sec. 30 T.6 S. R. 39 E. M. D. B. and M.
is a pinon post 3.5 ft. long with three faces in
triangular shape each 3 ins. wide. Set in
mound of stones; scribed S. 19 on N.W. face and
S. 30 on S.W. face. This post is old and blackened
but the scribing shows plainly.
After diligent search and much time wasted
and much climbing of rocky hills no other
section corners could be found.

The intersections with section lines are given
as they occur from the official notes of the
public surveys.
