

Field Notes of the Subdivision
 lines not already completed
 in Township 16 North Range
 21 East Monte Diablo
 Meridian

Chaim To determine the proper adjustment
 of my compass in subdividing
 this Township, I make a close
 examination of some lines previous-
 ly run and find my variation
 to correspond should be
 16° 30' East

Commence Survey at corner to
 Sections 21, 22, 27, 28

North between sections 21 and 22
