post with charred stake - raise earth
mound as per instructions for closing
Cor. bet Ranges 66+67 E. T. 5 W.Feb. 5th 1873-

This line traverses a rolling gravelly
surface, with washes draining S. & W. in
which the soil is rich alluvial -
The surface is covered with sage -
There is also an abundance of
scrubby cedar timber - with some
bunch grass & white sage.
