

Mount Diablo Base Line

General Description

The Mount Diablo Base Line running West from the Cor to Township 1 North Ranges 33 and 34 East passes over the White Mountains, very rough high and steep and covered with Juniper and Nut Pine timber to a point 20 chains West of the Cor to Sect. 34 and 35 in Range 32 East. Thence over gentle N.W. slope of bench covered with Sage brush and bunch grass to its intersection with the State Boundary. On the West slope of the Mountains, from a point 27 ch. West of the Cor to Sect. 33 and 34 to the Cor to Sections 31 and 32, the land both sides of the line is Mineral. The Indian Queen Mine is situated about $35\frac{1}{2}$ ch. S of Section 32 in Range 33, and has been worked for a long time and considerable rich ore taken out. This mine is situated in what is known as the "Oreota" Mining District.
