

Subdivision of T. 30 N. R. 55 E.

Retracing A. V. G. M.

On Sept 3rd I retrace the east boundary of this township and at 6 miles 15 links find the S. E. corner on the Ruby Valley Guide meridian which is a post firmly set & properly marked with traces of mound & pits which I restore at the same point.

Thence I run W on the S. boundary of sec. 36.

3000 Road from Elko to Hamilton S.

4000 old $\frac{1}{4}$ sec cor which is a post in small mound which I restore at the same point.

8000 After diligent search I am unable to find any traces
