W Bdy T. 5 N. R. 67 E.

Finding the corners on the West Boundary of T. 5 N. R. 67 E., in a dilapidated condition and some entirely destroyed I resurvey and rebuild the corners as follows:-

Destroy all trace of the old closing cor;
Set a granite stone 16X8X8 ins 14 ins in the ground for closing cor of T. 5 N. Rgs 66 and 67 E. marked T. 5 N. on S. W. C. C. on S., R. 67 E. on S. E. faces, 6 notches on S, E and W edges; dig pits 30X24X12 ins E and W 4 ft dist, and S 8 ft dist crosswise on line, raise a mound of earth 5 ft base 2 1/2 ft high S of cor

The old boundary bears West at the rate of 12 lbs ^{running} to a mile which answers to a correction of 0° 5'.
