|        | <p>General Description</p> <p>The land within the east half of section 25, T. 27 N., R. 57 E., varies from rough and broken in the west half to level meadow land in the east half, with an easterly exposure and drainage toward Ruby Lake. The elevation of the east half of section 25 ranges from about 6,000 feet above sea level, southeast corner of section 25, to a maximum of 6,500 feet at the <math>\frac{1}{4}</math> sec. corner of sections 25 and 36.</p> <p>The soil is principally a light shallow sand to sandy. In the meadow land is a black heavy loam covered with meadow grasses, dense sagebrush along the base of the mountains, with dense juniper and pinyon pine on the upland.</p> <p>There is one improved dirt road bearing N. and S. through section 25.</p> <p>The only water noted other than in canals, was at the Nevada Fish Hatchery in the southeast corner of section 25.</p> |
