

Resurvey of a Portion of the California-Nevada
State Boundary.

Chains	Reestablishment of surveys executed by the U.S. Coast and Geodetic Survey, 1893 to 1899. Previous to the resurvey, cause a conspicuous target to be set at each monument, making it unnecessary to run random lines between consecutive monuments. Monument No. $67\frac{1}{2}$ on the California-Nevada State Boundary is marked by a drill hole in solid rock; over this is a pine post, 4 ins. sq., 5 ft. long, marked C on SW., N on NE., $67\frac{1}{2}$ on SE., all with tacks, and firmly set in a mound of stone, 4 ft. base and 2 ft. high. Deepen the drill hole and seat a brass tablet $3\frac{1}{2}$ ins. diam., 3 inch stem, with top mkd. MON CAL 67¹/₂ NEV 1953 Replace the pine post over brass tablet and rebuild the mound of stone, 5 ft. base and 2 ft. high, around post. S.47°34'E., on tangent and true line. Over nearly level land, drains NE., on SW. side of Fish Lake Valley, thru soapweed and sagebrush. <tr><td>16.50</td><td>Rut road, bears SW. and NE. to Nevada State Highway No. 3A.</td></tr> <tr><td>40.00</td><td> Point for $\frac{1}{2}$ mile cor. on California-Nevada State Boundary. Set an iron post, 30 ins. long, $2\frac{1}{2}$ ins. diam., 24 ins in the ground, with brass cap mkd. NEV 67¹/₂ +¹/₂M CAL 1953 Raise a flat mound of stone, 4 ft. base, around post to top. <tr><td>44.20</td><td>Shallow wash, 15 lks. wide, course winding E.</td></tr><tr><td>80.00</td><td> Point for 1 mile cor. on California-Nevada State Boundary.
