

750

Resurvey of a Portion of the California-Nevada
State Boundary.

The sign is about 3x5 ft., on two supporting posts and reads "CALIFORNIA STATE LINE". The highway bears N.60°W. to Oasis and S.60°E. to Lida.

Land, nearly level, drains westerly.

Soil, sandy, alkaline clayloam and gravelly, 2d and 3d rate.

Undergrowth, sagebrush, Grazing, poor.

There is no final test of the solar attachment to be recorded. The solar attachment was used to determine the course only at the initial point of the resurvey. This course was verified by observation on Polaris, as shown in the field notes, and the line was carried forward on tangents between consecutive monuments, by backsight and foresight.
