

A vertical line with arrowheads at both ends, representing a meridian. In the center of the line is a compass rose consisting of two concentric circles. The inner circle is divided into four quadrants by a horizontal and a vertical line. The top-right quadrant is shaded black, and the bottom-left quadrant is also shaded black, while the top-left and bottom-right quadrants are white.

Reno, Nevada                      July 31, 2001

This plat, showing amended lottings, is based upon the official records, and having been correctly prepared in accordance with the regulations of this Bureau, is hereby accepted.

For the Director

Chas M. Lewis

Chief Cadastral Surveyor, Nevada
